BERNINA 215

So you want to make sewing your new hobby, spread your creative wings occasionally and sew something individual and different, deck out your home with original decorations, or alter the odd garment when the need arises? What's more, you place a high value on quality. Then the BERNINA 215 is the right choice for you! The activa sews simply everything: it's exceptionally user-friendly and easy to handle, robust and durable. It even grows to meet your demands – if need be, it can be equipped with a host of special accessories, and adapted to your personal sewing requirements. The BERNINA 215 is a machine for all seasons, and for entry-level sewers that want to get with the trend. A machine for life, in fact. Simply good – simply great value.

BERNINA

Thread tension
Adjust thread tension flexibly and easily.

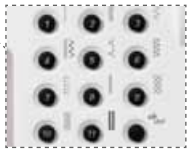
LCD screen
The illuminated screen gives you all necessary information and settings at a glance: Selected stitch, stitch length and width, needle stop and recommended presser-foot are displayed.

Two spool holders
The vertical, fold-out second spool holder is especially practical when winding bobbins, and when using twin needles.

Thread cutter
Three thread cutters make the cutting of upper and lower threads especially easy.

Stitch length/width and needle position
Press the buttons to individually alter stitch length, stitch width and needle position. The altered settings are displayed on screen, and are temporarily saved.

LED sewing light
The LED sewing light illuminates the sewing area around the needle.



Direct stitch selection
Direct selection of the most commonly used utility stitches at the press of a button – quick and practical.

Needle threader
The threading function makes it a cinch to guide the thread through the eye of the needle – quickly and reliably.

Quick Reverse button
The reverse button enables quick and easy temporary and permanent sewing in reverse.

Needle stop and sewing speed
For simple, confident sewing, you can set needle stop up/down and halve the sewing speed at the touch of a button.

QUALITY

CB hook system
The CB hook system ensures perfect stitch quality and thread tension, and is easy to clean.

Durability
The B 215 is characterized by its sturdy construction, durability, and finest BERNINA quality.

Motor
The powerful motor (900 rpm) boasts high needle penetration power, so you can also sew thick and multi-layered fabrics.

Flexibility
The B 215 grows to keep pace with your skills. You can individually upgrade it with a wide range of special accessories, thereby expanding your sewing options.

STANDARD SNAP-ON SOLES INCLUDED

– Reverse pattern sole no. 1
– Overlock sole no. 2
